MCPETERS LOG BOOK 1916-1919

Before McPeters became a funeral home they had a furniture store. There are many entries in their log book where people purchased coffins. Unfortunately, they didn't always list the name of the deceased.

These entries were written by Mr. W.T. McPeters and his handwriting is difficult to read. I transcribed the spelling the best I could.

The deceased is white unless otherwise indicated. This is the way it was done in the actual book.

Most people charged their purchases and paid them out over a period of time. This is the only other information listed. It would have been too time consuming to list the payments, etc. However, I have photocopied the originals and will reproduce the page for you. Please send 1.00 per page and a stamped, self-addressed envelope to the Attention: Vicki B. Roach.

The next book will list actual death records listing the information on the format inside. I have completed 1921, 1922 and 1923 and they will be for sale as soon as they are indexed.

These records would not be available without the kindness of Bill and Judy McPeters. I sincerely appreciate them for letting me have full access to all their records. They have been wonderful.

When looking through the index, use your imagination regarding spelling. Many names are obviously misspelled, but I stayed with the original spelling. Check variations of spelling.

Happy Hunting,

Vicki B. Roach

TABLE OF CONTENTS

FUNERAL RECORDS FOR 1921 McPETERS FUNERAL HOME

Bill and Judy McPeters have allowed the Alcorn County Genealogical full access to their funeral records and have given the ACGS permission to transcribe and sell these records. These are not to be sold by any other individual or organization other than the Alcorn County Genealogical Society. You have permission to photocopy for your records or files for personal genealogical purposes, but not for sale without written permission from the Alcorn County Genealogical Society. We are most grateful to Bill and Judy.

These were transcribed by Vicki Burress Roach. I did the best I could with the handwriting. I also tried to list the information that would be most helpful to a researcher. The deceased is a white person unless otherwise indicated.

On many of the death records there is noted a cause of death. Many of the terms used during that time period are hard to read and understand. I also saw many things listed that I felt would cause embarrassment to family members so I decided not to list that. The price of the funeral, etc. is also not listed as requested by the McPeters.

The index includes the names of the deceased and the names of their parents.

TABLE OF CONTENTS

FUNERAL RECORDS FOR 1922 McPETERS FUNERAL HOME

Bill and Judy McPeters have graciously allowed the Alcorn County Genealogical Society full access to their funeral records and have also given us permission to transcribe and sell these records. These are not to be sold by any other individual or organization other than the Alcorn Co. Genealogical Society. You have permission to photocopy for your records or files for personal research purposes, but not for sale without written permission from the Alcorn County Genealogical Society. We are very appreciative to Bill and Judy for this privilege.

These were transcribed by Vicki Burress Roach and Fredra Wilbanks. Mrs. Wilbanks graciously offered to help me with this awesome task and I sincerely thank her. Both of us tried to transcribe the handwriting as best we could. Sometimes this was quite difficult. We listed the most helpful information. The deceased person is white unless otherwise indicated.

On many of the death records there is noted a cause of death. Many of the terms used are hard to understand and to read so we did not list them. Also, some causes of death could cause embarrassment to family members. McPeters requested that we not publish the cost of the funerals or purchases.

The index includes the names of the deceased and the names of their parents when given.

TABLE OF CONTENTS

FUNERAL RECORDS FOR 1923 McPETERS FUNERAL HOME

Bill and Judy McPeters have graciously allowed the Alcorn County Genealogical Society full access to their funeral records and have also given us permission to transcribe and sell these records. These are not to be sold by any other individual or organization without written permission from the ACGS. You have permission to photocopy for your records or files for personal research purposes, but not to resale. We are very appreciative to Bill and Judy for this information and opportunity.

These were transcribed by Vicki Burress Roach and Fredra Wilbanks. Both of us interpreted the handwriting to the best of our ability. Sometimes this was quite difficult. We listed the most useful information to a researcher. The deceased person is white unless otherwise indicated.

On many of the death records there is noted a cause of death. Many of the terms used are hard to understand and read so we did not list. Also, some causes of death were very graphic and could cause embarrassment. McPeters requested that we not publish the cost of funerals or purchases.

The index includes the names of the deceased and the names of their parents when given.
